Contact Centre Technology Master Distributor IstTek announces EMEA partnership with Ozonetel a leading cloud omnichannel contact centre solution provider

LONDON 25th March 2021 – Contact Centre Technology Master Distributor IstTek announces EMEA exclusive partnership with Ozonetel to bring the CloudAgent Contact Centre Solution to the region

As the specialist Contact Centre Distributor, we bring new vendors with the latest technologies and our reseller partners together to drive business and improve customer experience. Our mission is to challenge and innovate how the channel works creating unparalleled value for vendors, resellers & the end customers.

IstTek CEO Josh Ayres says “the dramatic change where people work seen last year has highlighted the need to bring to market a feature rich and an affordable cloud-based Contact Centre solution, our timing couldn’t have been better with Ozonetel.” “The comprehensive Ozonetel CloudAgent product is well suited to this change in working patterns and is priced very competitively

CEO of Ozonetel, Murthy Chintalapati added, “We are very excited to have joined in an exclusive partnership with IstTek to deliver our Cloud Contact Centre Solutions across EMEA. The partnership will provide the opportunity for customers to enjoy a feature rich solution at a very competitive price bracket
